# ***Marine Corps Order***

# ***Marine Corps Order***

- 1. Mandatory Charges. Unless otherwise exempted, **commercial transportation, lodging, and rental car expenses** will be charged to the IBA unless the Card is not accepted by the merchant.

# ***Marine Corps Order***

- 5. Commercial Air Transportation.  
Commercial transportation will be purchased through a CTO using an individually billed account (IBA) unless otherwise exempted.

# ***Marine Corps Order***

- (a) Application Process. There are two methods available for submitting an application, paper or electronically using the contractor's EAS. The APC initiates both types of applications and submits them to the contractor. See enclosure (3) for details.
  
- (b) Impact on Credit Reports/Scores. When a member submits to a credit record check incident to a charge card application there is no impact to the credit report/score. The contractor utilizes a "soft pull" or promotional inquiry. This type of inquiry is not seen by anyone but the individual and does not affect the credit score. The only time the GTCC impacts a cardholder's credit score is if the account goes delinquent for 210 days or more.

# ***Marine Corps Order***

- (10) Credit Bureau Reporting. The contractor reserves the right to report adverse credit information to national credit bureaus on accounts that exceed 210 days past due. At no time prior to 210 days will a contractor report any information to the credit bureaus. Adverse credit reporting on severely delinquent cardholders can have a long lasting negative effect on the cardholder's ability to obtain personal credit

# ***Marine Corps Order***

## □ (9) Card Misuse/Abuse.

□ (a) Misuse. Misuse of the GTCC, as defined in enclosure (1), is strictly prohibited. Military members who misuse the GTCC are subject to the full range of criminal and administrative sanctions. Civilian employees who misuse the GTCC are subject to administrative or disciplinary action in accordance with the laws and regulations governing civilian employment. Examples of misuse include, but are not limited to:

- 1. Failure to pay charges in a timely manner. Bills are due upon receipt and must be paid in full prior to the due date on the billing statement. Cardholders are not authorized to carry a balance forward.
- 2. Charging expenses for personal, family or household purposes;
- 3. Executing cash withdrawals from ATMs or banks when not related to official travel requirements;

# ***Marine Corps Order***

## **Individual Cardholders will:**

- ◆ (1) Comply with this Order to ensure proper use of the GTCC;
- ◆ (2) Complete all required training;
- ◆ (3) Pay balance in full by the statement due date;
- ◆ (4) Immediately notify the contractor in the case of a lost or stolen card, and to dispute any charges; and
- ◆ (5) Notify the APC or the contractor of any address changes;

# ***Split Disbursement***

**DoD Financial Management Regulation**

**Volume 9, Chapter 3**

**★ March 2005**

★ 030608. Split Disbursement. To assist the traveler in fulfilling his or her payment responsibility, Block 1 of the DD Form 1351-2 ("Travel Voucher or Subvoucher") has been modified to permit reimbursement for travel card charges to the travel charge card contractor with the remainder of any entitlement to be sent to the traveler. This process is referred to as split disbursement. All military personnel and any civilian personnel not represented by a local bargaining unit or where bargaining has been completed with the local bargaining unit are required to split disburse the total outstanding charges against the travel charge card. For civilian personnel in organizations or activities where bargaining has not been completed on mandatory split disbursement, if no selection is made in Block 1 on the DD Form 1351-2 (method of payment), the total of the transportation and lodging charges claimed on the travel voucher will be split disbursed by default.

NOTE: Travelers are responsible for ensuring the total of their outstanding charges is annotated in Block 1 of the DD Form 1351-2 for split disbursement. Approving officials are responsible for ensuring that split disbursement is properly designated for the outstanding charges and shall return any vouchers that do not comply to the traveler for correction. Commanders and supervisors should match their delinquent accounts against prior travel vouchers claimed and take appropriate action to address split disbursement utilization or misuse.
